Note 3 - Performance fee

The Sub-Funds (except Conservative Risk 3% Portfolio, Global Strategy Alpha Portfolio and Global Emerging Markets Bond Fund) are subject to a Performance Fee equal to 20% of the amount by which the particular Sub-Fund achieves a return of greater than 10% within one financial year based on the increase in the Net Asset Value of the relevant Sub-Fund ("out-performance").

There is an out-performance of the Net Asset Value of the above-mentioned Sub-Funds if the NAV has increased by more than 10% when comparing the NAV on the last Valuation day of a given financial year with the NAV on the last Valuation day of the previous financial year ("Reference NAV").

If there is an underperformance for a given period or given financial year, the Reference NAV is maintained ("High Water Mark") until a new out-performance of greater than 10% has been achieved at the end of a financial year.

The amount of the performance fee is accrued on each Valuation day, based on the average of the outstanding Shares for that day. A performance fee starts to be accrued from the first Valuation day when the Net Asset Value performance for the financial year to date exceeds 1/360th of 10% above the Reference NAV, so that investors who subscribe or redeem during the financial year are treated fairly. The performance fee accruals is revised on each Valuation day and is recalculated as appropriate so as to reflect at any time the virtual performance fee amount that would respectively be due at any Valuation day. The performance fee will be indicated in the annual report of the SICAV and payable within 120 days after the end of financial year.

The detailed calculation method of the performance fee is described in the current prospectus.

At the date of the report, no performance fee was recorded for the Sub-Funds.

Note 4 - Subscription tax ("*taxe d'abonnement*")

The SICAV is governed by Luxembourg law.

Pursuant to the legislation and regulations in force, the SICAV is subject to an annual subscription tax ("*taxe d'abonnement*") of 0.05% which is payable quarterly and calculated on the basis of the net assets of each Sub-Fund on the last day of each quarter.

Pursuant to article 175 (a) of the Law, the net assets invested in undertakings for collective investment already subject to the "*taxe d'abonnement*" are exempt from this tax.

b) Receivable on sales of securities

Investments in Global Emerging Markets Real Estate Funds SICAV Plc were redeemed on 23rd December 2011 and 27th January 2012 in the Sub-Funds Conservative Risk 3% Portfolio and Emerging Europe Performance Fund but considering the lack of liquidity of the Global Emerging Markets Real Estate Funds SICAV Plc ("GEMREF"), the Board of Directors of this underlying investment has proposed a reimbursement plan at the end of 2011, which is currently in progress but with some delays. During the year under review, no reimbursement has been made. The shareholders of GEMREF have resolved, through an extraordinary general meeting held on the 28th January 2014, to liquidate GEMREF and appoint a liquidator. Then, this latter has informed the Board of Directors of the SICAV, by a letter dated 29th August 2014, that the financial statements of GEMREF until the date of its liquidation have been finalized and that the liquidation process should start shortly. On 9th March 2015, the liquidator informed the Management Company that the liquidation process is currently under discussion with PricewaterhouseCoopers Malta.

As of 31st October 2016, the amount receivable for this security represents 63.34% of the total net assets of the Sub-Fund Conservative Risk 3% Portfolio and 40.10% of the total net assets of the Sub-Fund Emerging Europe Performance Fund and the liquidation process is still under discussion.
